We decorate your Car(s) with Pom Poms in your Colour scheme, so please advise on your colour scheme:

(But if you dont know it yet could you please try to let us know by six weeks in advance)

We tie a sign to the back of the Car which says " Just Married " as can be seen in our advertising. This is nice for Church Weddings but there is less need for this if you are using an all-in-one venue with no onward journey.

Legally we cannot sell Alcohol , but as part of our service , we invite you to supply a bottle of Champagne at the pickup and we will pop the cork for you after the ceremony (we supply the Glasses, Ice Blocks, and Cold Bag , Champagne Bucket and Bucket Stand) we will also often insert a 10p into the cork for good luck. This needs to be ordered as there is some items that we need to pack and carry with us on the day. Also if there will be a front seat passenger there will be no room for both . Please Circle Yes Box or No box
